Polyamide Roller Cover Made of polyamide endless yarn

Durable, Less lint, great paint pick up and release, solvent resistant

Good for semi rough and rough surfaces

Suitable for bricks and masonry

Color: White with blue stripe

Item no.	Length	Pile length	Core Dia
115-302P	9 inch	12mm/18mm	38mm or 45mm

Polyamide Roller Cover Made of polyamide yarn

Durable, Less lint, great paint pick up and release solvent resistant

Good for semi rough and semi smooth surfaces

Suitable for bricks and masonry

Color: White with yellow stripe

Item no.	Length	Pile length	Core Dia
115-800P	9 inch	15mm	38mm or 45mm

Premium Microfiber Roller Cover

Less lint, even surface structure, best paint pick-up and much greater coverage
 Good for semi smooth and smooth surface
 Suitable for wall paints and lacquers
 Color: green/white

Item no.	Length	Pile length	Core Dia
115-335P	9 inch	10mm/15mm/18mm	38mm or 45mm

Premium Microfiber Roller Cover

Less lint, even surface structure, best paint pick-up and much greater coverage
 Good for semi smooth and smooth surface
 Suitable for wall paints and lacquers
 Color: purple/white

Item no.	Length	Pile length	Core Dia
115-829P	9 inch	12mm	38mm or 45mm

Premium Microfiber Roller Cover

Less lint, even surface structure, best paint pick-up and much greater coverage
 Good for semi smooth and smooth surface
 Suitable for wall paints and lacquers
 Color: grey /white

Item no.	Length	Pile length	Core Dia
115-801P	9 inch	12mm	38mm or 45mm

Microfiber Roller Cover

Less lint, high paint absorption and a consistent paint release, less splatter and even surface structure
 Good for semi smooth and smooth surface
 Suitable for wall paints and lacquers
 Color: white

Item no.	Length	Pile length	Core Dia
112-787P	9 inch	8mm/10mm/14mm	38mm or 45mm

Microfiber Roller Cover

Less lint, high paint absorption and a consistent paint release, less splatter and even surface structure
 Good for semi smooth and smooth surface
 Suitable for wall paints and lacquers
 Color: white with blue stripe

Item no.	Length	Pile length	Core Dia
115-271P	9 inch	10mm/14mm	38mm or 45mm

Microfiber Roller Cover

Less lint, high paint absorption and a consistent paint release, less splatter and even surface structure
 Good for semi smooth and smooth surface
 Suitable for wall paints and lacquers
 Color: white with blue/red stripe

Item no.	Length	Pile length	Core Dia
115-802P	9 inch	10mm	38mm or 45mm

Premium Woven Polyester Roller Cover

Less lint, fast and even coverage
Good for semi smooth to smooth surface
Suitable for wall paints and lacquers
Color: Purple

Item no.	Length	Pile length	Core Dia
115-368P	9 inch	12mm/15mm	38mm or 45mm

Premium Woven Polyester Roller Cover

Less lint, fast and even coverage
Good for semi smooth to smooth surface
Suitable for wall paints and lacquers
Color: Yellow

Item no.	Length	Pile length	Core Dia
115-280P	9 inch	12mm	38mm or 45mm

Premium Woven Polyester Roller Cover

Less lint, fast and even coverage
Good for smooth surface
Suitable for high solid paint, wood stains and waterbased acrylic paints
Color: Beige

Item no.	Length	Pile length	Core Dia
115-397P	9 inch	6mm	38mm or 45mm

Premium Woven Polyester Roller Cover

Less lint, fast and even coverage
Good for semi smooth to smooth surface
Suitable for wall paints and lacquers
Color: Blue

Item no.	Length	Pile length	Core Dia
115-390P	9 inch	12mm	38mm or 45mm

Woven Polyester Roller Cover

Less lint, fast and even coverage
Good for semi smooth to smooth surface
Suitable for wall paints and lacquers
Color: White

Item no.	Length	Pile length	Core Dia
115-244P	9 inch	6/12/14mm	38mm or 45mm

Woven Polyester Roller Cover

Less lint, fast and even coverage
Good for semi smooth to smooth surface
Suitable for wall paints and lacquers
Color: White with yellow stripe

Item no.	Length	Pile length	Core Dia
115-333P	9 inch	12mm	38mm or 45mm

Woven Polyester Roller Cover

Less lint, fast and even coverage
Good for semi smooth to smooth surface
Suitable for wall paints and lacquers
Color: Yellow with black stripe

Item no.	Length	Pile length	Core Dia
115-346P	9 inch	12mm	38mm or 45mm

Woven Polyester Roller Cover

Less lint, fast and even coverage
Good for semi smooth to smooth surface
Suitable for wall paints and lacquers
Color: White with green stripe

Item no.	Length	Pile length	Core Dia
115-803P	9 inch	12mm	38mm or 45mm

Woven Polyester Roller Cover

Less lint, fast and even coverage
Good for semi smooth to smooth surface.
Suitable for wall paints and lacquers
Color: White with light green stripe

Item no.	Length	Pile length	Core Dia
115-167P	9 inch	12mm	38mm or 45mm

Woven Polyester Roller Cover

Less lint, fast and even coverage
Good for semi smooth to smooth surface
Suitable for wall paints and lacquers
Color: White with black stripe

Item no.	Length	Pile length	Core Dia
115-804P	9 inch	12/18mm	38mm or 45mm

Woven Polyester Roller Cover

Less lint, fast and even coverage
Good for semi smooth to smooth surface
Suitable for wall paints and lacquers
Color: White with grey stripe

Item no.	Length	Pile length	Core Dia
115-805P	9 inch	12mm	38mm or 45mm

Woven Polyester Roller Cover

Less lint, fast and even coverage
Good for semi smooth to smooth surface
Suitable for wall paints and lacquers
Color: White with blue/grey stripe

Item no.	Length	Pile length	Core Dia
115-334P	9 inch	12mm	38mm or 45mm

Woven Polyester Roller Cover

Less lint, for great paint pick-up
speed and coverage on rough surface
Suitable for wall paints and lacquers
Color: White with pink stripe

Item no.	Length	Pile length	Core Dia
115-154P	9 inch	18mm	38mm or 45mm

Woven Polyester Roller Cover

Less lint, for great paint pick-up
speed and coverage on rough surface
Suitable for wall paints and lacquers
Color: White with blue stripe

Item no.	Length	Pile length	Core Dia
115-807P	9 inch	18mm	38mm or 45mm

Woven Polyester Roller Cover

Less lint, fast and even coverage
Good for semi smooth
Suitable for wall paints and lacquers
Color: White with orange stripe

Item no.	Length	Pile length	Core Dia
115-808P	9 inch	12mm	38mm or 45mm

Acrylic Roller Cover

Very good paint loading for excellent coverage
Good for semi-rough and rough surface
Suitable for Masonry, emulsion and water base paint
Color: White with yellow stripe

Item no.	Length	Pile length	Core Dia
106-478P	9 inch	12/18mm	38mm or 45mm

Acrylic Roller Cover

Very good paint loading for excellent coverage
Good for semi-rough and rough surface
Suitable for Masonry, emulsion and water base paint
Color: White with yellow/blue stripe

Item no.	Length	Pile length	Core Dia
115-100P	9 inch	6/12/18mm	38mm or 45mm

Acrylic Roller Cover

Very good paint loading for excellent coverage
Good for semi-rough and rough surface
Suitable for Masonry, emulsion and water base paint
Color: White with grey stripe

Item no.	Length	Pile length	Core Dia
115-405P	9 inch	6/12/18mm	38mm or 45mm

Acrylic Roller Cover

Very good paint loading for excellent coverage
Good for semi-rough and rough surface
Suitable for Masonry, emulsion and water base paint
Color: White with red/grey stripe

Item no.	Length	Pile length	Core Dia
115-291P	9 inch	12/18mm	38mm or 45mm

Acrylic Roller Cover

Very good paint loading for excellent coverage
Good for semi-rough and rough surface
Suitable for Masonry, emulsion and water base paint
Color: White with blue stripe

Item no.	Length	Pile length	Core Dia
106-748P	9 inch	12mm	38mm or 45mm

Acrylic Roller Cover

Very good paint loading for excellent coverage
Good for semi-rough and rough surface
Suitable for Masonry, emulsion and water base paint
Color: yellow with black stripe

Item no.	Length	Pile length	Core Dia
115-508P	9 inch	12mm	38mm or 45mm

Acrylic Roller Cover

Very good paint loading for excellent coverage
 Good for semi-rough and rough surface
 Suitable for Masonry, emulsion and water base paint
 Color: White

Item no.	Length	Pile length	Core Dia
115-810P	9 inch	11/14/18mm	38mm or 45mm

Acrylic Roller Cover

Very good paint loading for excellent coverage
 Good for semi-rough and rough surface
 Suitable for Masonry, emulsion and water base paint
 Color: White with rainbow stripe

Item no.	Length	Pile length	Core Dia
115-290P	9 inch	18mm	38mm or 45mm

Acrylic Roller Cover

Very good paint loading for excellent coverage
 Good for semi-rough and rough surface
 Suitable for Masonry, emulsion and water base paint
 Color: Green

Item no.	Length	Pile length	Core Dia
115-239P	9 inch	12/18mm	38mm or 45mm

Nylon Roller Cover

Solvent-resistant polyamide/nylon mixture
Less lint, for the application of aggressive solvent-containing materials, epoxy resin, floor and solvent based paints
Color: White with yellow/blue stripe

Item no.	Length	Pile length	Core Dia
115-545P	9 inch	6mm	38mm or 45mm

Nylon Roller Cover

Solvent-resistant polyamide/nylon mixture
Less lint, for the application of aggressive solvent-containing materials, epoxy resin, floor and solvent based paints
Color: White with blue stripe

Item no.	Length	Pile length	Core Dia
115-105P	9 inch	11mm	38mm or 45mm

Draynon Roller Cover

Excellent performance on paint pick-up and release
Good for smooth to semi smooth surface
Suitable for latex and oil paints
Color: White

Item no.	Length	Pile length	Core Dia
115-568P	9 inch	11mm	38mm or 45mm

Mohair/acrylic blend Roller Cover

Ensures a perfect surface-finish
Perfectly suitable for strong solvent-based paints and laquers
Color: Beige

Item no.	Length	Pile length	Core Dia
115-243P	9 inch	4mm	38mm or 45mm

100% Mohair Roller Cover

Ensures a perfect surface-finish
Perfectly suitable for strong solvent-based paints and laquers
Color: Beige

Item no.	Length	Pile length	Core Dia
112-915P	9 inch	4/10mm	38mm or 45mm

Sheepskin Roller Cover

Very high paint absorption and paint release for an even structure.

Best performance on rough and extra rough surface
Suitable for masonry, emulsion and water based paints
*Not suitable for alkalic and grease dissolving materials

Color: Beige

Item no.	Length	Pile length	Core Dia
115-117P	9 inch	15/20/30MM	38mm or 45mm

Knitted Polyester Roller Cover

with phenolic core

Good paint pick-up, performance and coverage

For fast painting

Suitable for emulsion and water based paints

high temperature job

Color: Yellow

Item no.	Length	Pile length	Core Dia
112-389P	9 inch	7/10/13/15/19/25/30mm	38mm

Knitted Polyester Roller Cover

Good paint pick-up, performance and coverage

For fast painting

Suitable for emulsion and water based paints

Color: White

Item no.	Length	Pile length	Core Dia
106-387P	9 inch	7/10/13/19mm	38mm or 45mm

Knitted Polyester Roller Cover

Good paint pick-up, performance and coverage

For fast painting

Suitable for emulsion and water based paints

Color: Yellow

Item no.	Length	Pile length	Core Dia
112-193P	9 inch	7/10/13/15/19/25/30mm	38mm or 45mm

Knitted Polyester Roller Cover

Good paint pick-up, performance and coverage
For fast painting
Suitable for emulsion and water based paints
Color: Peach

Item no.	Length	Pile length	Core Dia
115-811P	9 inch	13mm	38mm or 45mm

Knitted Polyester Roller Cover

Good paint pick-up, performance and coverage
For fast painting
Suitable for emulsion and water based paints
Color: Light orange

Item no.	Length	Pile length	Core Dia
115-812P	9 inch	10/13/15/19/25/30mm	38mm or 45mm

Knitted Polyester Roller Cover

Good paint pick-up, performance and coverage
For fast painting
Suitable for emulsion and water based paints
Color: Blue

Item no.	Length	Pile length	Core Dia
115-235P	9 inch	10mm	38mm or 45mm

Polyamide Roller Cover

Made of Polyamide endless yarn
Durable, Less lint, great paint pick up and release,
solvent resistant
Good for semi rough and rough surfaces
Suitable for bricks and masonry
Color: White with blue stripe

Item no.	Length	Pile length	Core Dia
115-337P	18/20/23/25CM	12mm/18mm	38mm or 45mm

Polyamide Roller Cover

Made of Polyamide yarn
Durable, Less lint, great paint pick up and release,
solvent resistant
Good for semi rough and semi smooth surfaces
Suitable for bricks and masonry
Color: White with yellow stripe

Item no.	Length	Pile length	Core Dia
115-813P	18/20/23/25CM	15mm	38mm or 45mm

Acrylic Padded Roller Cover

Excellent all round performance, coverage and finish
Good for semi-rough and rough surface
Suitable for Masonry, very rough, uneven surfaces
Color: Green

Item no.	Length	Pile length	Core Dia
112-886P	25CM	18mm	50mm

Premium Microfiber Roller Cover

Less lint, even surface structure, best paint pick-up and much greater coverage

Good for semi smooth and smooth surface

Suitable for wall paints and lacquers

Color: green/white

Item no.	Length	Pile length	Core Dia
115-338P	18/20/23/25CM	10mm/15mm/18mm	38mm or 45mm

Premium Microfiber Roller Cover

Less lint, even surface structure, best paint pick-up and much greater coverage

Good for semi smooth and smooth surface

Suitable for wall paints and lacquers

Color: purple/white

Item no.	Length	Pile length	Core Dia
115-443P	18/20/23/25CM	12mm	38mm or 45mm

Premium Microfiber Roller Cover

Less lint, even surface structure, best paint pick-up and much greater coverage

Good for semi smooth and smooth surface

Suitable for wall paints and lacquers

Color: grey /white

Item no.	Length	Pile length	Core Dia
115-814P	18/20/23/25CM	12mm	38mm or 45mm

Microfiber Roller Cover

Less lint, high paint absorption and a consistent paint release, less splatter and even surface structure
 Good for semi smooth and smooth surface
 Suitable for wall paints and lacquers
 Color: white

Item no.	Length	Pile length	Core Dia
115-450P	18/20/23/25CM	8mm/10mm/14mm	38mm or 45mm

Microfiber Roller Cover

Less lint, high paint absorption and a consistent paint release, less splatter and even surface structure
 Good for semi smooth and smooth surface
 Suitable for wall paints and lacquers
 Color: white with blue stripe

Item no.	Length	Pile length	Core Dia
112-794P	18/20/23/25CM	10mm/14mm	38mm or 45mm

Microfiber Roller Cover

Less lint, high paint absorption and a consistent paint release, less splatter and even surface structure
 Good for semi smooth and smooth surface
 Suitable for wall paints and lacquers
 Color: white with blue/red stripe

Item no.	Length	Pile length	Core Dia
115-802P	18/20/23/25CM	10mm	38mm or 45mm

Premium Woven Polyester Roller Cover

Less lint, fast and even coverage
 Good for semi smooth to smooth surface
 Suitable for wall paints and lacquers
 Color: Purple

Item no.	Length	Pile length	Core Dia
115-815P	18/20/23/25CM	12mm/15mm	38mm or 45mm

Premium Woven Polyester Roller Cover

Less lint, fast and even coverage
 Good for semi smooth to smooth surface
 Suitable for wall paints and lacquers
 Color: Yellow

Item no.	Length	Pile length	Core Dia
115-339P	18/20/23/25CM	12/18/32mm	38mm or 45mm

Premium Woven Polyester Roller Cover

Less lint, fast and even coverage
 Good for smooth surface
 Suitable for high solid paint,
 wood stains and waterbased acrylic paints.
 Color: Beige

Item no.	Length	Pile length	Core Dia
115-817P	18/20/23/25CM	6mm	38mm or 45mm

Premium Woven Polyester Roller Cover

Less lint, fast and even coverage
 Good for semi smooth to smooth surface
 Suitable for wall paints and lacquers
 Color: Blue

Item no.	Length	Pile length	Core Dia
115-818P	18/20/23/25CM	12mm	38mm or 45mm

Woven Polyester Roller Cover

Less lint, fast and even coverage
 Good for semi smooth to smooth surface
 Suitable for wall paints and lacquers
 Color: White

Item no.	Length	Pile length	Core Dia
115-819P	18/20/23/25CM	6/12/14mm	38mm or 45mm

Woven Polyester Roller Cover

Less lint, fast and even coverage
 Good for semi smooth to smooth surface
 Suitable for wall paints and lacquers
 Color: White with yellow stripe

Item no.	Length	Pile length	Core Dia
115-564P	18/20/23/25CM	12mm	38mm or 45mm

Woven Polyester Roller Cover

Less lint, fast and even coverage
 Good for semi smooth to smooth surface
 Suitable for wall paints and lacquers
 Color: Yellow with black stripe

Item no.	Length	Pile length	Core Dia
115-820P	18/20/23/25CM	12mm	38mm or 45mm

Woven Polyester Roller Cover

Less lint, fast and even coverage
 Good for semi smooth to smooth surface
 Suitable for wall paints and lacquers
 Color: White with green stripe

Item no.	Length	Pile length	Core Dia
115-821P	18/20/23/25CM	6/12/14mm	38mm or 45mm

Woven Polyester Roller Cover

Less lint, fast and even coverage
 Good for semi smooth to smooth surface
 Suitable for wall paints and lacquers
 Color: White with light green stripe

Item no.	Length	Pile length	Core Dia
115-822P	18/20/23/25CM	12mm	38mm or 45mm

Woven Polyester Roller Cover

Less lint, fast and even coverage
 Good for semi smooth to smooth surface
 Suitable for wall paints and lacquers
 Color: White with black stripe

Item no.	Length	Pile length	Core Dia
115-823P	18/20/23/25CM	12/18mm	38mm or 45mm

Woven Polyester Roller Cover

Less lint, fast and even coverage
 Good for semi smooth to smooth surface
 Suitable for wall paints and lacquers
 Color: White with grey stripe

Item no.	Length	Pile length	Core Dia
115-824P	18/20/23/25CM	12mm	38mm or 45mm

Woven Polyester Roller Cover

Less lint, fast and even coverage
 Good for semi smooth to smooth surface
 Suitable for wall paints and lacquers
 Color: White with blue/grey stripe

Item no.	Length	Pile length	Core Dia
115-825P	18/20/23/25CM	12mm	38mm or 45mm

 Good for semi smooth and smooth surface
 Suitable for wall paints and lacquers
 Color: white with blue/red stripe

Item no.	Length	Pile length	Core Dia
115-190P	2"/4"/6"	12mm	15mm/19mm/30mm

Microfiber Roller Cover

Less lint, high paint absorption and a consistent paint release, less splatter and even surface structure
 Good for semi smooth and smooth surface
 Suitable for wall paints and lacquers
 Color: white

Item no.	Length	Pile length	Core Dia
115-134P	2"/4"/6"	12mm	15mm/19mm/30mm

Woven Polyester Roller Cover

Less lint, fast and even coverage
Good for semi smooth to smooth surface
Suitable for wall paints and lacquers
Color: white with yellow stripe

Item no.	Length	Pile length	Core Dia
115-399P	2"/4"/6"	12mm	15mm/19mm/30mm

Woven Polyester Roller Cover

Less lint, fast and even coverage
Good for semi smooth to smooth surface
Suitable for wall paints and lacquers
Color: White with blue/green stripe

Item no.	Length	Pile length	Core Dia
115-259P	2"/4"/6"	12mm	15mm/19mm/30mm

Woven Polyester Roller Cover

Less lint, fast and even coverage
Good for semi smooth to smooth surface
Suitable for wall paints and lacquers
Color: White with black stripe

Item no.	Length	Pile length	Core Dia
115-062P	2"/4"/6"	12/18mm	15mm/19mm/30mm

Acrylic Roller Cover

Very good paint loading for excellent coverage
 Good for semi-rough and rough surface
 Suitable for Masonry, emulsion and water base paint
 Color: White with yellow stripe

Item no.	Length	Pile length	Core Dia
106-114P	2"/4"/6"	12mm	15mm/19mm/30mm

Acrylic Roller Cover

Very good paint loading for excellent coverage
 Good for semi-rough and rough surface
 Suitable for Masonry, emulsion and water base paint
 Color: White with grey stripe

Item no.	Length	Pile length	Core Dia
115-118P	2"/4"/6"	12mm/18mm	15mm/19mm/30mm

Acrylic Roller Cover

Very good paint loading for excellent coverage
 Good for semi-rough and rough surface
 Suitable for Masonry, emulsion and water base paint
 Color: White

Item no.	Length	Pile length	Core Dia
106-651P	2"/4"/6"	12mm	15mm/19mm/30mm

Nylon Roller Cover

Solvent-resistant polyamide/nylon mixture
Less lint, for the application of aggressive solvent-containing materials, epoxy resin, floor and solvent based paints
Color: White with yellow/blue stripe

Item no.	Length	Pile length	Core Dia
115-193P	2"/4"/6"	6mm	15mm

Nylon Roller Cover

Solvent-resistant polyamide/nylon mixture
Less lint, for the application of aggressive solvent-containing materials, epoxy resin, floor and solvent based paints
Color: White with blue stripe

Item no.	Length	Pile length	Core Dia
115-135P	2"/4"/6"	11mm	15mm/19mm/30mm

Knitted Polyester Roller Cover

Good paint pick-up, performance and coverage
For fast painting
Suitable for emulsion and water based paints
Color: Green

Item no.	Length	Pile length	Core Dia
115-085P	2"/4"/6"	11mm	15mm/19mm/30mm

Mohair/acrylic blend Mini Roller Cover

For fine finish on smooth and lightly textured surfaces
Suitable for varnish, gloss, satin finishes & viscosity paint
Color: Beige

Item no.	Length	Pile length	Core Dia
106-426P	2"/4"/6"	4mm	15mm

100% Mohair Mini Roller Cover

For fine finish on smooth and lightly textured surfaces
Suitable for strong solvent-base paint and lacquers
Color: Beige

Item no.	Length	Pile length	Core Dia
112-111P	2"/4"/6"	4mm	15mm

Felt Mini Roller Cover

Made of woven polyester, less lint and smooth surface structure
Suitable for solvent-base lacquers with a low viscosity
Color: white

Item no.	Length	Pile length	Core Dia
115-074P	2"/4"/6"	6mm	15mm

Foam Mini Roller Cover

Polyurethane foam
For fine finish on smooth and lightly textrued surfaces
Suitable for professional lacquer works
Better for oil paint
Color: White

Item no.	Length	Diameter	Density
112-250P	51/100/110mm	35mm	50kg

Foam Mini Roller Cover

Polyether foam
For fine finish on smooth and lightly textrued surfaces
Suitable for professional lacquer works
Better for water paint
Color: White

Item no.	Length	Diameter	Density
106-760P	51/100/110mm	35mm	50kg

Flock Foam Mini Roller Cover

Polyether foam
For fine finish on smooth and lightly textrued surfaces
Suitable for professional lacquer works
Better for water paint
Color: Orange

Item no.	Length	Diameter	Density
112-207P	51/100/110mm	35mm	50kg

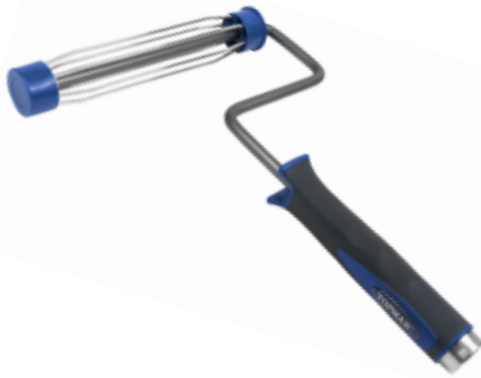

SCREW FIT HANDLE

Acrylic Paint Roller, stick style

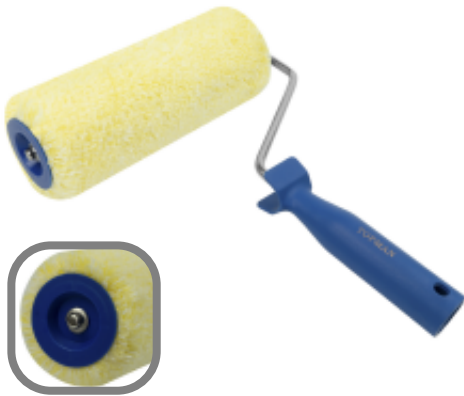

Very good paint loading for excellent coverage
Good for semi-rough and rough surface
Suitable for Masonry, emulsion and water base paint

Item no.	Length	Pile length	Core Dia	Steel Wire	Handle
115-844P	18cm/20cm/23cm/25cm	18mm	45mm	8mm	E21

Acrylic Paint Roller, fixed style

Very good paint loading for excellent coverage
Good for semi-rough and rough surface
Suitable for Masonry, emulsion and water base paint

Item no.	Length	Pile length	Core Dia	Steel Wire	Handle
115-192P	23CM	18mm	55mm	8mm	E23

Microfiber Paint Roller, fixed style

Less lint, high paint absorption and a consistent paint release, less splatter and even surface structure
Good for semi smooth and smooth surface
Suitable for wall paints and lacquers

Item no.	Length	Pile length	Core Dia	Steel Wire	Handle
115-318P	23CM	10mm	45mm	8mm	E23

Premium Microfiber Paint Roller, fabric seal end

Less lint, even surface structure, best paint pick-up and much greater coverage
Good for semi smooth and smooth surface
Suitable for wall paints and lacquers

Item no.	Length	Pile length	Core Dia	Steel Wire	Handle
115-845P	23CM	12mm	45mm	6mm	E11

Woven Polyester Roller Cover, fabric seal end

Less lint, fast and even coverage
Good for semi smooth to smooth surface
Suitable for wall paints and lacquers

Item no.	Length	Pile length	Core Dia	Steel Wire	Handle
